RED WINE		
Château Grand Renom Bordeaux, France, 2023 Grapes were very concentrated, with fine acidity preserved by the Chateau's clay-limestone soils. More pumping over and maceration are made possible by the quality and quantity of tannins present in the wine. A woody ageing process supported the wine's tannic structure. Grape: Merlot and Cabernet Franc	85	390
Terrazas Reserva, Mendoza, Argentina, 2023 Fresh red and black fruit scents of plums and blueberries are framed with spicy thyme. The balanced acidity and fruitiness opens with a juicy mouthfeel, rounded by redcurrant flavors and sweet complex and vibrant tannins. Grape: Cabernet Sauvignon	70	300
Artyzen Grand Lapa Private Label, Herdade dos Grous, Alentejo, Portugal, 2024 Deep, vivid garnet color with concentrated plummy-red tones. Full-flavoured and rich with excellent concentration. The mature, well-integrated fruit delivers a round, silky texture with soft, mature tannins. The finish is long and persistent. Grape: Aragonez, Alicante Bouschet, and Touriga Nacional	60	260
