

Welcome to Quenino.

Our carefully curated wine portfolio is a testament to the mesmerising world of viticulture, designed with intentional playfulness to reflect our bold take on Southeast Asian flavours. Each bottle has been thoughtfully selected to complement our menu, creating unexpected yet harmonious pairings that invite you to explore, sip, and savour. We can't wait to show you more.

To ensure a personalised experience, our still wines are available by the bottle, as well as in 150ml pours or smaller 75ml tasters. This allows for exploration and the joy of discovering and learning about wine.

Look for our specially marked selections if you appreciate organic, biodynamic and natural wines. These choices reflect our commitment to sustainability and biodiversity in wine production.

Feeling overwhelmed or unsure? Try our innovative, personalised wine quiz and explore wines based on the unique quotes on the "Curated Pour" page. Each selection in this category is offered at a standard price, catering to both novices and seasoned wine enthusiasts alike.

Our goal is to transform every sip into an experience and every glass into a discovery. Let's raise a toast to the extraordinary diversity of wine, its ability to enhance our dining experiences, provoke thought and create memorable moments.

Cheers to your journey through our captivating world of wines.

## CURATED POURS

*Feeling adventurous? Embark on a fun wine appreciation journey through captivating quotes below. Select one that resonates the most and leave it to our team to recommend something.*

A spirited dance of bubbles, with playful notes of apple and toast, celebrating life's joys with every effervescent sip.

Delicious mystery waiting to be solved, with a tantalising aroma that you just can't quite put your finger on, but that keeps you coming back for more!

A regal presence in the world of whites, with a luxurious texture and a symphony of peach and honey notes, commanding attention.

Tongue-tingling adventure, with a lively acidity and surprising notes of passion fruit and lime that will have your taste buds dancing with joy!

I am an ABC but not American-born Chinese.

A sophisticated diva, with a complex and nuanced character of fruity, tropical flavours underneath that demands your attention and leaves you wanting more?

Coming from an island of pristine wilderness where the old and new coexist.

Coming from Australia's oldest wine regions, with roots dating back to the mid-1800s.

I can be very temperamental, but I am one of the most elegant and highly prized wines in the world.

Like a warm embrace on a cold evening, rich with notes of plum and cocoa, and a comforting, velvety finish.

Like a symphony of flavours, with notes of black pepper, earthy undertones and a smooth finish that will have you saying, "Encore!"

Like a grand opera - a wine that's bold, expressive and full of drama, as it builds to a crescendo on your palate.
