

Welcome to Quenino.

Whether you're in the mood for a quick sip or looking to dive into something deeper, we've got something for every kind of drinker. Our beverage list is thoughtfully curated to go hand in hand with the bold, layered flavours on your plate.

Expect cocktails crafted with purpose, designed to complement our dishes in unexpected ways. Our wine selection brings together bottles from around the world, chosen for their character and their ability to surprise. Thanks to our Coravin system, you can enjoy rare pours without opening a whole bottle.

We offer wines by the bottle, by the glass, or in smaller tasters so you can explore a little more with each course. Look out for organic, biodynamic, and low-intervention picks that reflect our approach to thoughtful dining.

Take your time, ask us anything, and enjoy the journey through your glass. Cheers.
