A Season of Harmony Lunar New Year & Romance

As the energies of Lunar New Year blend seamlessly with the heartfelt spirit of Valentine's Day, Grand Coloane Resort offers a perfect sanctuary to celebrate both traditions in harmony. Start your year surrounded by the natural serenity of Macau's only true beach resort, where each sea-view balcony provides a private stage for witnessing dawn's first light, an auspicious beginning to a prosperous Year of the Horse.

As evening approaches, the same space transforms into an intimate haven for connection. Whether sharing a toast under the stars, enjoying a carefully curated dinner for two, or simply listening to the waves together, these moments are crafted to deepen bonds and ignite romance.

Here, tradition meets tenderness, renewal embraces love, and every experience is created with intention. Whether you're planning a family reunion, a romantic retreat, or a quiet moment of reflection, our Island haven welcomes you to write this special chapter in your own way.
