Echoes of India: A Night of Culture, Colour & Flavour

This April, Grand Coloane Resort invites you to experience the magic of India right here in Macau.

On the evening of the 18th of April, we are honoured to welcome the Consul General of India from Hong Kong as our co-organiser, as we join together in celebrating the rich tapestry of Indian culture.

From the aromatic spices of the North to the bold, vibrant flavours of the South, our very own Chef Nathi takes you on an authentic culinary journey. He presents regional specialities from across the subcontinent in a lavish dinner buffet, accompanied by free-flow masala chai and mango lassi.

As you savour each bite, the evening comes alive with soulful Indian music and mesmerising dance performances, while interactive booths invite you to explore India's vibrant heritage. Discover the secrets of Ayurvedic herbs, or treat yourself to a henna painting, or dress up in custom Indian attire for a truly memorable keepsake.

The highlight of the evening is that every guest stands a chance to win incredible prizes, including a one-night stay in a Deluxe Suite at Grand Coloane Resort with breakfast, a Take • Eat • Easy Membership, and Woodland Macau dining vouchers.

It promises to be an evening of discovery, delight and pure festive fun, where culture comes alive and unforgettable memories are made.
