#### Paws and Play: Summer Days at the Resort

Summer is calling, and at Grand Coloane Resort, it is not just guests who get to have all the fun.

We know that quality time with the whole family includes every member, even the four-legged, tail-wagging ones.

That is why we have created a pet-friendly outdoor haven where your furry companions can run, roll and romp to their heart's content.

While Macau law does not permit pets to stay overnight, they are very welcome to join you for dining and play.

Feel the grass beneath those little paws as your pup explores our spacious green lawns, making new friends along the way.

Whether it is a morning zoom session or a lazy afternoon stroll by the sea, there is freedom to roam and joy in every sniff.

While your pet enjoys the great outdoors, so can you.

Breathe in the fresh summer air, soak up the island sunshine and unwind at your own pace.

From international dining to seaside relaxation, every moment here is shared, and all the sweeter because they are by your side.

This summer, bring the whole family for a day of fun. Because the best getaways are the ones we take together.
