Summer Days, Island Ways

The summer heat is here, and there is no better place to beat it than at Grand Coloane Resort. This is the season to slow down, soak up the sun, and embrace the easy vibe of Island life.

Dive into our summer promotions, starting with the Coastal Feast, featuring a curated selection of chilled seafood and refined summer dishes that capture the essence of seaside dining at Kwun Hoi Heen. Sip on vibrant Tropical Drinks that taste like sunshine in a glass, or treat yourself to our sailor-themed Afternoon Tea Set at Panorama Lounge, a playful twist on a classic theme that keeps things light, fun, and close to the shore.

For families, the fun continues outdoors. Bring your little ones or furry companions for a relaxing picnic or glamping experience on our spacious green lawn.

Prefer something more refreshing? Grab our day pass and enjoy a good swim, with chilled drinks and snacks served right by the pool.

This July, let Grand Coloane Resort be your summer escape. Because summer days are better when spent the Island way.
